The Causes: Funds raised will support Stop Hunger Now's meal packaging program. Every six seconds, a child dies from not having enough to eat. 11 million children under the age of 5 die in developing countries each year. Most of these deaths are caused by malnutrition and hunger-related diseases. Stop Hunger Now saves lives by sending more than 20 million meals and other aid to 79 countries worldwide.

You have a unique opportunity to take part in raising funds to help feed these children. Your registration/sponsorships will help the Gainesville-Haymarket Rotary Club host a meal packaging event.

The Gainesville-Haymarket Rotary Club provides time and financial resources to support the neediest children in our community at the PACE West school in Haymarket. Funds raised will help to continue PACE West's pantry program. This unique program encourages PACE West students to overcome emotional and behavior obstacles, and helps lead them to academic excellence.
